***Practical experience shows that nothing will
so much insure immunity from drink as
intensive work with other alcoholics.***

You can help when no one else can.
To watch people recover,
to see them help others,
to watch loneliness vanish,
to see a fellowship grow up about you,
to have a host of friends
-- this is an experience you must not miss.

Studies have shown that,

"Those involved in Service Work have a 50% better chance of staying sober than those who are not doing service work."
