

May Minutes

1. There is a new email for Rod S. and a new email and number for the new group Sobriety Warriors.
2. The information brochure for Mini Assembly sheet for dissemination to the groups.
3. The information brochure on the District 36 June 2021 Archives Workshop for dissemination to the groups (impressive acquisition of the Dr. Bob's Executive Chair);
4. Supporting Financial History information. In light of tonight's conversation, I'm attaching
 - a. the Financial Budget Report for 11/19 (Jason M mentioned this)
 - b. the Financial Budget Report for 12/19 (Joe W. mentioned this),
 - c. The Financial Budget Report for 2/20 (just before covid) (no one mentioned this); and the Expense Form (possibly the one the former Treasurer mentioned as on the stick).

Also, to facilitate revision in the Structure Manual as to the Officer at Large Job Description adopted in D36 Panel 70, I provide the Job Description presented for adoption by the Committee to the Panel (It was adopted).

1. This should help with budget formation although the former Secretary/now Treasurer Susan may have more information.
2. The current ADCM/former Treasurer for Panel 70 may have more information.

3. When we get a Chair for Structure, they can use (if they wish) the OAL Job Description. I believe Jason M. and Eric E. expressed an interest in this committee but I could be wrong.

4. Please review the minutes to make sure I haven't ignored mentioning a group who was there or that i presented the discussion accurately;

5. Please use the Mini Assembly & Archive announcements as appropriate; and

6. Please use the Financial Reports & Expense Form to see if they can help your Committee/Chair/GSR address the budget discussion tonight.
