February 25, 2017

Went over the guidelines

Went over pamphlets

Covered places to go, area of focus, sticking to one idea for now like schools then maybe breaking into sub committees at some point based on the different places we want to go
Middle schools, High school/Counselors, Teachers maybe phys ed

Hospitals, a lot of ignorance with addiction in the hospitals finding the point of contact? Ken Danielle? Er's, like having a spread/rack of pamphlets, waiting rooms, is there a reason why there isn't any information in the er waiting rooms. Pinnacle, Holy spirit. Can we give our information to secretaries, people who receive the phone calls of alcoholics or family of the said person. Bilingual versions of pamphlets.

Urgent care offices are also in mind.

Ken, Kevin, Adam- will be going toward hershey

Danielle Melissa-Pinnacle Union Deposit

Brett, Chris-Holyspirit

The plan of attack for now is to find the person of contact, talk to them figure out when they would like to meet and bring some basic pamphlets, and please let them know we can bring in pamphlet racks, hand them a few aa business cards.

If we are able to build a relationship with these places and they want to start holding meetings we will then get in touch with the hospitals and institutions com..

If I missed something please let me and the other committee members know. Once you guys have luck with your specific locations please keep the group informed.
