## DCM Report - District 36 – November 9, 2020

***As Panel 69 winds down, remember that as a GSR, you are the vital link between your home group and the General Service Conference. Consider sharing your experience from this panel with your home group's incoming representative!***

**Events DCM Attended since last meeting:** 10/18/2020: Area Day.

**DCM Will Attend:** 11/13-15 EPGSA virtual event. 12/13/2020 Area 59 Quarterly Meeting.

This has been a quiet month as most of the attention within Area 59 has been focused on attention to and education of members in preparation for the annual convention. It is my sincere hope that District 36 will continue a long tradition of excellent representation at this event.

**Please remember that today is the last day to register for EPGSA! November 13-15, 2020.** Remember, this is the year we vote to choose the officers for the next Panel 71. **IF YOU DO NOT REGISTER, YOU WILL NOT BE ABLE TO VOTE.**

Hard copies of General Service Conference Report were mailed to GSR's who requested them. The report can be found on the Area 59 website in digital form.

With regard to the District 36 Split Committee: Ad-hoc committees are formed to address specific issues and then dissolve. They are not standing committees. This particular committee was formed 7 years ago. Initially, the intent was to study the feasibility of splitting District 36 into 2 separate districts within Area 59 in order encourage greater participations. Since no specific recommendations either for or against a split have been made, I recommend that this subcommittee be dissolved in Panel 71.

In place of an in-person Regional Forum, GSO invited all to attend the Virtual Easter U.S./Canada Forum on December 5, 2020 with the theme "2020: Experience, Strength and Hope – what it was like, what happened, and what it is like now" This all day event will feature participants from all regions and will include workshop presentations, Q&A sessions, General Sharing, and much more! Please save the date and refer to the Area calendar for specifics.

It has been an honor and a privilege to serve District 36 during this Panel 69. I will submit a final report next month. Thank you for your enthusiasm and encouragement; I am grateful.

In love and service,

Alicia Ann Shenk, DCM
