Unfinished Business

- Intergroup **Group Inventory** Ad-hoc Committee update: Neill D. formally rolled out the survey. About 20 different Home Groups were represented. We will identify groups not in attendance and begin communication plan.

New Business

- A flyer on the Fellowship House bulletin board keeps getting removed. Discussion resulted in 2 actions: **Andy C.** will have the BB monitored better and will speak with some regulars to the House and **Melissa M.** will look into adding some verbiage to the effect that the subject meeting is sanctioned by AA.
- Discussion surrounding the entry location to Home Group meetings being on the **Meeting Finder** app. The meeting in question was found to have actually had the entry information on the app.

Home Group Reports

- None this month.
