Monthly Tradition 6: (Long Form) Problems of money, property, and authority may easily divert us from our primary spiritual aim. We think, therefore, that any considerable property of genuine use to A.A. should be separately incorporated and managed, thus dividing the material from the spiritual. An A.A. group, as such, should never go into business. Secondary aids to A.A., such as clubs or hospitals, which require much property or administration, ought to be incorporated and so set apart that, if necessary, they can be freely discarded by the groups. Hence such facilities ought not to use the A.A. name. Their management should be the sole responsibility of those people who financially support them. For clubs, A.A. managers are usually preferred. But hospitals, as well as other places of recuperation, ought to be well outside A.A. – and medically supervised. While an A.A. group may cooperate with anyone, such cooperation ought never to go so far as affiliation or endorsement, actual or implied. An A.A. group can bind itself to no one. **Kim W.**

OLD BUSINESS

- James O. created an Ad-Hoc committee for a new storage facility at the May 12th D36 meeting. The meeting ran out of time before we could have the group conscious vote on moving the bins to a personal residence. Once the Ad-hoc committee submits their summary results, we can then move the bins to the new storage facility. The bins are currently being stored at Craig Y., our archivist, home. James O. did not wish to incur the added expense of \$71.24 a month from \$47.92. James O. invoked his right of decision as District 36's DCM to close the storage unit account. The last expense for the storage unit was May 2025.
- On May 5, 2025- Nicole G. Treasurer Motion Expense Report was out of order denied from last month's district meeting: Brief explanation Change over meeting 12/08/2024 Delegate Recommendation #12 Continue to reimburse meals at actual cost per meal, not to exceed \$15 per meal, except at events where banquets and meals are an integral part of the reason for being there (e.g. NERF, NERAASA, PENNSCYPAA, EPGSA, Intergroup Roundups, etc.)
- Motion: Nicole G. Treasurer- To have Subcommittees/individuals get prior approval before spending over their approved budget.
 - Chad P. 2nd the motion. After a short discussion, the motion passed unanimously.
- Motion: Misty D. GSR- To raise the DCM's travel budget for the remainder of the year to \$2,000 total combining mileage, hotel, meals, registrations into one budget category.
 - Matt M. 2nd the motion. After a short discussion, the motion passed unanimously.

NEW BUSINESS

- Motion: Nicole G. Treasurer- To receive reimbursement for expenses and mileage, complete and submit the D36 mileage using MapQuest or expense report form with receipts, if applicable.
 - Craig P. 2nd the motion. The motion went into a lengthy discussion and a vote was taken. We did not reach the required 2/3 vote to pass. Elaine B. suggested we make an amendment to the motion to remove the word MapQuest from the form. Nicole G. made the amendment to use the D36 mileage or expense report form BUT excluded the "Mileage based on round trip MapQuest distance from starting address to destination address." Jill P. 2nd the motion. The motion passed unanimously.
- Treatment and Accessibilities Recommendation-Accessible Font motion passed. The GSR's need to take this information back to their Home Group Conscious Meeting and get their input on this.
- D51 PAI the books "Pass it On" and "The Good Old Timers" should they be made into an audio book. GSR's need to take this information back to their Home Group Conscious Meeting and get their input on this.

Monthly Concept 6: (Long Form)- On behalf of A.A. as a whole, our General Service Conference has the principal responsibility for the maintenance of our world services, and it traditionally has the final decision respecting large matters of general policy and finance. But the Conference also recognizes that the chief initiative and the active responsibility in most of these matters should be exercised primarily by the Trustee members of the Conference when they act among themselves as the General Service Board of Alcoholics anonymous. **Misty D.**

Robert's Rules Of Order Summary

OLD BUSINESS

- I created an Ad-Hoc committee for a new storage facility location at our last District meeting on 05/12/2025. We ran out of time to ask the body on their vote on moving them to a personal residence until we found a new facility. I asked Craig Y, our Archivist if he could store the archives at his residence and he said yes because he is currently digitizing the contents of the Archives. I did not wish to incur the added expense of \$71.24 a month from \$47.92. I Invoked my right of decision as District 36's DCM to close the storage unit down and not incur the added expense. Our past Archivist Jeff C. stored all the Archives at his home. Storage unit is closed down. The last expense for the unit was last month.
- 05/05/2025 Nicole G. Treasurer Motion Expense Report was out of order denied from last month's district meeting: Brief explanation Change over meeting 12/08/2024 Delegate Recommendation #12 Continue to reimburse meals at actual cost per meal, not to exceed \$15 per meal, except at events where banquets and meals are an integral part of the reason for being there.(e.g. NERF, NERAASA, PENNSCYPAA, Intergroup Roundups, EPGSA, etc. Passed Unanimously.
- Motion: Nicole G. Treasurer: To have Subcommittees/individuals get prior approval before spending over their approved budget.
- Motion: Miste D. GSR: To raise the DCM's Travel budget for the remainder of the year to \$2,000.00 total combining mileage, hotel, meals, registrations into one budget category.

NEW BUSINESS

- Motion: Nicole G. Treasurer To receive reimbursement for expenses and mileage, complete and submit the D36 mileage or expense report form, with receipts if applicable.
- Treatment and Accessibilities Recommendation-Accessible Font motion Passed need to take back to home group business meeting and get your groups conscience on it for the next district meeting. Flyers on table.
- D51 PAI the books "Pass it On" and "The Good Old Timers" should they be made into a audio book. Take back to your homegroups business meeting for a group conscience and let me know the group's conscience at the next district meeting.

4. "Any abstentions"
5. "Would the minority opinion like to be heard?" (**REMEMBER THEM WHAT THE MINORITY OPINION IS!**) (1 minute per minority opinion)

REMEMBER: The minority opinion is generally expressed to 1.) share something new (no repeats of previously stated opinions); 2.) if anyone feels they haven't expressed themselves adequately; 3.) if someone feels they feel the body is making a serious mistake. Note: The Chair can allow for repetition during the minority opinion if needed to ensure we 1.) move slowly and 2.) let everyone feel heard.

6. "To anyone who voted in the majority: Did that change your vote?" (**REMEMBER THEM WHAT THE MAJORITY IS!**) (same thing as *Motion to Reconsider*)

- **IF YES**
 - "So by default, there's a Motion to Reconsider is on the table - do I hear a 2nd?"
 - "All in favor of **Re-Opening discussion** - All in favor of **treating this vote as final.**"
(Motion starts over and we go into Discussion - then we vote. Vote is Final / No minority opinion)
- **IF NO:** Motion Passes/Fails

AMENDMENTS:

- **Friendly:** Given by someone trying to improve the motion without changing the meaning - **the person who made the motion needs to accept the amendment**
- **Regular:** Actually changing the wording & intent of the motion - requires the person who made the motion (AND THE 2nd) and the person who made the amendment to agree on the change to the motion (**2/3 majority**) *It is automatic itself requires a vote BEFORE the vote on the motion itself.*

POSTPONE: (requires a motion)

- Definition: **Postpone it TO A SPECIFIC TIME** (it makes sense to deal with it at a specific time in the future for whatever reason)
[Gets put into OLD BUSINESS AT THAT FUTURE DATE]

TABLE: (requires a motion)

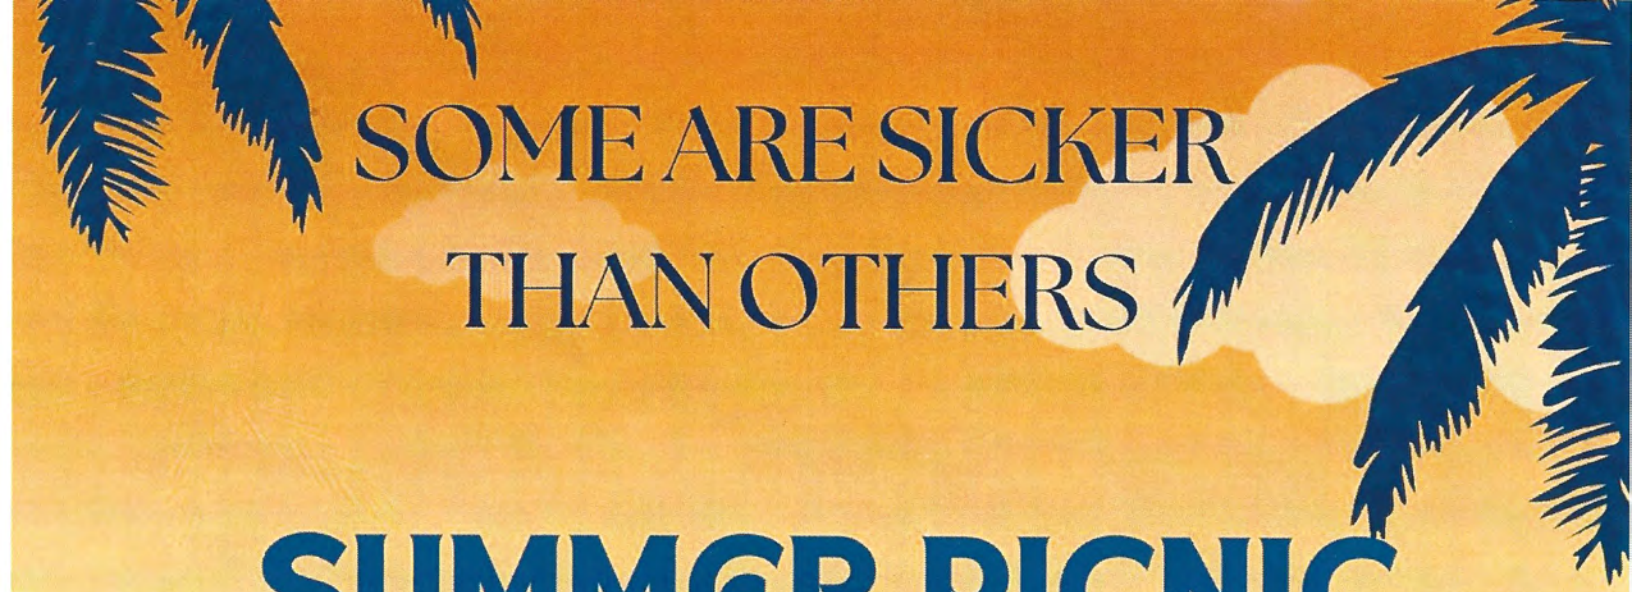

- Definition: We are **putting the motion off in the moment** and it will require the step of somebody taking it off the table.
- How it gets off the table: Likely it will be **automatically** put into OLD BUSINESS for the **next meeting** (not debatable / simple majority / no motion to reconsider or minority opinion)

POINT OF INFORMATION:

- Primarily used when 1.) **Someone has a question to ask...** or 2.) **When they need some additional information** (sometimes it's about them wanting to offer additional information).

POINT OF ORDER:

- Used when there is **some deviation from the process** or **someone is being disruptive** (Chair: Only use this when someone is being very mean spirited) (Chair rules on it when offered by a member)
