Introductions/News from Groups

Summaries

- Misty D. (There is A Solution) – Our Home Group unanimously agreed with the PAI and Font Motion.
- Megan S. (There's More to Life) – Women's Serenity Retreat, September 12-14, 2025, Camp Hebron, Halifax, PA. Registration is \$250/person. Sober Fest @ Sabrina's House this weekend will be a fundraiser for the Women's Serenity Retreat. There will be scholarships available for people with financial difficulties to attend the retreat at half price. They are also selling T-shirts that say "STAY" as a fundraiser for the retreat. See attached flyer.
- Jeff M. (Dillsburg Group) – 21st Annual Pignic!! Sunday September 7, 2025, noon until 5PM. Tickets will be at the door for \$8/person. Kids under 12 are free. Bring a chair and a dish to share. Speaker at 2:30 PM.
- Ruth C. (Big Book West) - Our Home Group unanimously agreed with the PAI and Font Motion.
- Dennis P. (Planet Rebose) - Our Home Group unanimously agreed with the PAI and Font Motion.
- **Monthly Tradition 7:** (Long Form) The A.A. groups themselves ought to be fully supported by the voluntary contributions of their own members. We think that each group should soon achieve this ideal; that any public solicitation of funds using the name of Alcoholics Anonymous is highly dangerous, whether by groups, clubs, hospitals, or other outside agencies; that acceptance of large gifts from any source, or of contributions carrying any obligation whatever, is unwise. Then, too, we view with much concern those A.A. treasuries, which continue, beyond prudent reserves, to accumulate funds for no stated A.A. purpose. Experience has often warned us that nothing can so surely destroy our spiritual heritage as futile disputes over property, money, and authority. **(Craig Y.)**

Robert's Rules of Order Summary

1. Obtain the floor by raising your hand. You cannot be recognized while another member is speaking.
2. Speak only when recognized by the Chair.
3. Be mindful of time limits and stay on topic.
4. We can agree to disagree, and be mindful of the choice of words we use.

SPEAKERS MAY BE INTERRUPTED ONLY FOR THE FOLLOWING

1. POINT OF INFORMATION, to obtain information about business.
2. PARLIAMENTARY INQUIRY, to obtain information about the rules or to ask about the correct motion to accomplish a desired result.

3. QUESTION OF PRIVILEGE if you cannot hear, a safety issue arises or you are uncomfortable, it's noisy, etc... but only if necessary.
4. POINT OF ORDER, if you see a breach of the rules or improper decorum in speaking; the point of order must be raised immediately after the error is made.
5. APPEAL OF A CHAIR'S RULING, if you disagree with the Chair's ruling.

OLD BUSINESS

- The PAI and Font motion is on the table to be taken to your home group business meeting and discussed if they are for or against the items for August's business meeting. We are voting on the two items at September's 4th Quarterly meeting.
- Louis and Tom Ad-Hoc Committee on Storage Facility postponed until August business meeting because they are gathering information on new facilities.
- In August's Business meeting we will be voting on District 36's Structure Manual 2025. It is suggested to read the edited version sent from the Structure committee.

NEW BUSINESS

- It is customary for District's to do an inventory in the first year. I have had input from GSR'S along with myself that it would be very helpful for Unity to get one setup for District 36. After following Area 59's guidelines a local past District 36 and Area officer was asked to moderate with the questions being sent from Area 59's Archivist from past district inventories as a guideline. We will set up an ad-hoc inventory subcommittee to pick out questions to facilitate the inventory.
 - All GSR's present were in favor of setting up an Ad-hoc committee and participating with the inventory.
 - Volunteers for the Ad-hoc Committee: Sandy K., Elaine B., Nicole G., Heather L., and Haley S.
 - Once the questions are chosen, all GSR's will take them back to their Home Groups. The inventory will likely take place at Bridge Street. This inventory meeting will be open to anyone.
- **Concept 7: (Long Form):** The Conference recognizes that the Charter and the Bylaws of the General Service Board are legal instruments: that the Trustees are thereby fully empowered to manage and conduct all of the world service affairs of Alcoholics Anonymous. It is further understood that the Conference Charter itself is not a legal document: that it relies instead upon the force of tradition and the power of the A.A. purse for its final effectiveness. **(Elaine B.)**

Proposed Agenda Item (PAI) Submission Form for the General Service Conference (GSC)

All submissions should be received on or before September 30, 2025, 11:59 pm.
Submissions that are received after this deadline will be considered for the 2027 General Service Conference.

Warm Greetings from the Conference Assignment at the GSO!

Thank you for taking the time to consider proposing a policy level idea that might be useful for the good of A.A. within our US/Canada service structure.

This is an exciting opportunity for your group's voice to be heard.

All parts of our Fellowship — group meetings, committees, offices, Conferences, and group jobs — share one common purpose: to help the alcoholic who still suffers.

In accordance with our Twelve Traditions, we need a system of communication for finding out how A.A. as a whole feels about its world affairs, and how it wants to operate. The General Service Conference serves as the group conscience for A.A. in the U.S. and Canada.

The resources mentioned below are available in English, Spanish, and French, on the GSO website, www.aa.org. It is all done in the spirit of Love and Service.

Participation in the GSC Process is a year-round cooperative effort. The Conference meets for six days a year, yet the 135 or so Conference members are active in Conference affairs throughout the year. Every A.A. group shares its experience with other groups through its area delegate to the Conference.

Does my PAI rise to the policy level?

For A.A. to run its own affairs, each A.A. group needs to make its voice heard on overall A.A. policies. Proposals are important to the future of Alcoholics Anonymous such as policy decisions or request for changes to Conference-approved literature, and items that might require the collective conscience of the Fellowship. To understand about proposed agenda item submissions in general, please visit the section, "Sources of Agenda Items" in the A.A. Service Manual on page 42.

Who participates in PAI submissions?

AA Groups, Districts and Areas: To contact your local GSR, District, or Area Committee or Delegate, please visit the link to "List of General Service Conference Area Websites." These local A.A. trusted servants strive to help you develop PAIs and discuss Conference Background materials and help the delegate prepare for the GSC.

Individual A.A. members: Individual A.A. members can participate in the Conference Process by submitting a PAI. All submissions should be received on or before September 30, 2025, 11:59 pm. Submissions that are received after this deadline will be considered for the 2027 General Service Conference.

Note: While all items are received equally, experience has shown that ideas greatly benefit from the value of a broader group conscience. Consider if and with whom you would like to have a group conscience discussion on the proposed agenda item prior to submitting.

Sharing on Participation? Thanks to contributions from A.A. members across the U.S. and Canada here is sampling of resources from GSO that include sharing about participating in the Conference Process:

Read: "A.A. Service Manual," "Circles of Love and Service," and "The A.A. Group."

Watch Video: "Your General Service Office (GSO), the Grapevine and the General Service Structure,

Listen: "Twelve Traditions Long Form"

When is the PAI Deadline for the 75th GSC?

All submissions should be received on or before September 30, 2025, 11:59 pm.

Submissions that are received after this deadline will be considered for the 2027 General Service Conference.

What happens after a PAI is submitted? Your submission will be forwarded to the trustees' Committee or Board for discussion. Following the October General Service Board meeting, the committee secretary will contact you to let you know the outcome of the committee's deliberations.

**General Service Conference (GSC)
Proposed Agenda Item Submission Form**

<p>(1) Submit a clear and concisely worded motion.</p> <p>The General Service Office should make the books "Pass it On", and "Dr. Bob and the Good Oldtimers" available for purchase in audio format anywhere audiobooks are available.</p>
<p>(2) What problem does this proposed item address?</p> <p>Currently, not all A.A. Conference-approved literature is available in audio format. This limits accessibility for members who are visually impaired, have reading difficulties, or prefer audio content due to lifestyle or learning styles. Expanding access supports A.A.'s mission to reach the alcoholic who still suffers.</p>
<p>(3) What level of group conscience, if any, discussed the proposed agenda item? Make it clear who is submitting the item (an individual, group, district, area, etc.).</p> <p><u>Note:</u> While all items are received equally, experience has shown that ideas greatly benefit from the value of a broader group conscience. Consider if and with whom you would like to have a group conscience discussion on the proposed agenda item prior to submitting.</p> <p>This item was submitted by The Living Room Group of Alcoholics Anonymous in Levittown, PA and was voted on and approved by District 51 in Area 59 at our monthly meeting.</p>

<p>(4) Provide background information that describes and supports the reasoning for the proposal. List background material(s) included with the proposal:</p>
<p>Many essential A.A. books (e.g., Twelve Steps and Twelve Traditions, Daily Reflections, Living Sober) are already available in audio, demonstrating the feasibility and impact of this format.</p> <p>Accessibility and inclusion are vital parts of A.A.'s commitment to carrying the message to all who need it.</p> <p>Expanding the audiobook library aligns with Tradition Five: "Each group has but one primary purpose—to carry its message to the alcoholic who still suffers."</p>
<p>(5) What are the intended/expected outcomes if this proposed item is approved?</p>
<p>Increased accessibility to A.A. literature for visually impaired members, elderly members, members with learning differences (such as dyslexia), and those who prefer auditory learning.</p> <p>Broader reach and deeper engagement with A.A.'s message.</p> <p>Strengthened inclusivity and service commitment in keeping with A.A.'s core traditions.</p>
<p>(6) Provide a primary contact for the submission.</p>
<p>(7) Final comments:</p>
<p>Making all Conference-approved literature available in audio format is a natural and necessary step toward ensuring that A.A.'s life-saving message remains fully accessible to every alcoholic, regardless of circumstance. In a spirit of love, unity, and service, this effort would break down barriers and open new doors for those who may otherwise be left behind — including the visually impaired, those facing literacy challenges, and members whose lives are better touched through listening rather than reading. By expanding access to our literature, we honor our Responsibility Statement and reaffirm our collective commitment that no alcoholic seeking help should be unable to hear the message of recovery. This proposal reflects A.A.'s enduring promise: that we are here for all who seek us, now and for generations to come.</p>

Background Information for Accessible Font Recommendation

We unanimously recommend that:

The following text be added to the area structure manual under a new heading of "Accessible Font:"

"To provide greater accessibility to our fellowship, it is recommended that all new or revised documents, publications, and literature (in print and online) produced by Area 59 be created using sans-serif font in a size of 12pt or higher, and that we follow general accessibility procedures wherever possible."

Background information:

Accessible Fonts for Print and Online Use Research and expert recommendations suggest the following fonts as the most accessible:

Sans-serif Fonts: Fonts without decorative strokes are generally easier to read (Arial– A widely used font with clear letter distinction; **Verdana** – Designed for screen readability with wide letter spacing; **Tahoma** – Similar to Verdana, with slightly narrower spacing; another example is Calibri).

Key Considerations for Font Accessibility

- Font Size: A minimum of 12-14pt for print and 12-16pt for digital materials is recommended.
- Avoiding Italics, All Caps, and All Bold: Italicized, fully capitalized, and text written in all bold can be difficult to read for those with visual impairments.
- Consistent Formatting: Standardized document design with predictable layouts enhances accessibility.
- Adopting an accessibility-friendly font in document design will greatly enhance the readability of materials for individuals with dyslexia and other disabilities.

More Background information:

Chicago AA (Area 19) Accessibilities Committee proposed a related agenda item that was ultimately not forwarded to a conference committee (because publishing was in the room and agreed that this was an ongoing effort).

- PAI #31 - "all new or revised documents, publications and literature be produced and/or published in an accessible format"

Background:

Accessible printed documents and communications are defined under the Americans with Disabilities Act (ADA), Section 508 (United States) and under the Accessible Canada Regulations (Canada). Currently, AA literature is produced in a variety of formats, many of which are not readable by AA members. Production of documents (such as pamphlets, checklists, literature, and even emails) in an accessible format assists AA members who have low vision, use screen readers, have reading disabilities and intellectual processing disabilities. These members' ability to read is greatly affected by how documents and visual aids are prepared and written.

For example, it is estimated that as much as 20% of the population is unable to read a document printed in a Serif font such as Times New Roman. Many AA documents and most literature (including the Big Book and 12&12) are printed in a Serif font, making it difficult for many alcoholics to read them smoothly or at all. Adopting a uniform appearance, color and printing standard for all printed AA documents as they are reprinted, revised or developed for AA members provides a simple method to make the message of AA available to more alcoholics.

Before finalizing your document (or saving it as a PDF), check it for Accessibility. The checker will "point out" fonts, colors and shading that affect the readability of the document AND suggest better options.
