GROUP LISTINGS [Active, Inactive, Active Unknown]

How a Group Becomes Listed as *Active*

The first time that group information is forwarded for listing with the G.S.O. we list the group as pending (the 1990 General Service Conference recommended that the General Service Office delay processing new A.A. group information forms for 30 days to allow the local A.A. structure to participate in the process) and assign a Group Service Number. It is a unique number different from that of any other A.A. group. The number is never reassigned, even if the group is disbanded. After the 30-day period has passed the status of the group changes from pending to *Active*.

How a group becomes *Active Unknown*

1. G.S.O. does not have G.S.R./Contact with a viable address (This usually occurs due to return mail.) The group remains active however until some one from the area advises us to *inactivate* the group.

How a Group becomes Listed as *Inactive*

1. When the Group Service Representative (G.S.R.), or the main contact for a group advises G.S.O. that their group is no longer holding meetings, G.S.O. *inactivates* the group as requested.
2. If a person other than the G.S.R. or group contact advises G.S.O. that the group is no longer holding meetings, the procedure is as follows:

If the group has a contact, we will send the G.S.R./Contact a letter asking the group to verify that they are no longer holding meetings.

The group has 30 to 35 days to respond. If G.S.O. does not hear from them, the group is *inactivated*. Should G.S.O. hear that the group is holding meetings the group remains in an *active* status.

- 2a. If the group has no contact (*active unknown*) and G.S.O. is advised that the group is *inactive*, we *inactivate* the group.

The decision to continue a group as "active" or to list a group as "inactive" results, on the one hand, from up-to-date input by groups and areas, or, on the other hand, is a consequence of a group or area not providing requested information for group update.

Most areas depend on their District Committee members (D.C.M.s) to annually check the information contained on the Group Information Sheets that are sent out to the areas by G.S.O. and asks them to make sure the information is correct and updated. An additional objective of the D.C.M. is to encourage participation in the registration process by Group Service Representatives.

ROBERT'S RULES OF ORDER CHEAT SHEET

Robert's Rules of Order is a manual of parliamentary procedures that governs most organizations with boards of directors. Robert's Rules of Order are a provision of each of the SMPS chapter's bylaws normally stated as the following:

"The rules contained in the most recent edition of Robert's Rules of Order shall provide the rules of procedure for the Chapter where they are not inconsistent with the provisions of the Articles of Incorporation or these bylaws."

TYPES OF MOTIONS

- **Main Motion:** Introduce a new item
- **Subsidiary Motion:** Change or affect how to handle a main motion (vote on this before main motion)
- **Privileged Motion:** Urgent or important matter unrelated to pending business
- **Incidental Motion:** Questions procedure of other motions (must consider before the other motion)
- **Motion to Table:** Kills a motion
- **Motion to Postpone:** Delays a vote (can reopen debate on the main motion)

EVERY MOTION HAS 6 STEPS

1. **Motion:** A member rises or raises a hand to signal the chairperson.
2. **Second:** Another member seconds the motion.
3. **Restate motion:** The chairperson restates the motion.
4. **Debate:** The members debate the motion.
5. **Vote:** The chairperson restates the motion, and then first asks for affirmative votes, and then negative votes.
6. **Announce the vote:** The chairperson announces the result of the vote and any instructions.

TIP! If the board is in obvious agreement, the chairperson may save time by stating, "If there is no objection, we will adopt the motion to..." Then wait for any objections. Then say, "Hearing no objections, (state the motion) is adopted." And then state any instructions. If a member objects, first ask for debate, then vote and then announce the vote.

REQUESTING POINTS OF SOMETHING

Certain situations need attention during the meeting, but they don't require a motion, second, debate or voting. It's permissible to state a point during a meeting where the chairperson needs to handle a situation right away. Board members can declare a Point of Order, Point of Information, Point of Inquiry, or Point of Personal Privilege.

- **Point of Order:** Draws attention to a breach of rules, improper procedure, breaching of established practices, etc.
- **Point of Information:** A member may need to bring up an additional point or additional information (in the form of a nondebatable statement) so that the other members can make fully informed votes.

- **Point of Inquiry:** A member may use point of inquiry to ask for clarification in a report to make better voting decisions.
- **Point of Personal Privilege:** A member may use point of personal privilege to address the physical comfort of the setting such as temperature or noise. Members may also use it to address the accuracy of published reports or the accuracy of a member's conduct.

TIPS AND REMINDERS FOR CHAIRPERSONS

Robert's Rules of Order, which is also widely known as parliamentary procedure, was developed to ensure that meetings are fair, efficient, democratic and orderly. A skilled chairperson allows all members to voice their opinions in an orderly manner so that everyone in the meeting can hear and be heard. The following tips and reminders will help chairpersons to run a successful and productive meeting without being run over or running over others.

- Follow the agenda to keep the group moving toward its goals.
- Let the group do its own work; don't overcommand.
- Control the flow of the meeting by recognizing members who ask to speak.
- Let all members speak once before allowing anyone to speak a second time.
- When discussions get off-track, gently guide the group back to the agenda.
- Model courtesy and respect, and insist that others do the same.
- Help to develop the board's skills in parliamentary procedure by properly using motions and points of order.
- Give each speaker your undivided attention.
- Keep an emotional pulse on the discussions.
- Allow a consensus to have the final authority of the group.
