Introductions/News from Groups Summaries

Actions

- Haley S. (Young People's Group) – The group would like a fully, itemized inventory on what Area 59 has spent their funds on.
- Heather L. (Harrisburg Area Women's BB Study Group) – The group would like a fully, itemized inventory on what Area 59 has spent their funds on.

Guests

- Zack S. (guest of James O.)
- Jen F. (A59 Treasurer)

Tradition 7: (Long Form) - The A.A. groups themselves ought to be fully supported by the voluntary contributions of their own members. We think that each group should soon achieve this ideal; that any public solicitation of funds using the name of Alcoholics Anonymous is highly dangerous, whether by groups, clubs, hospitals, or other outside agencies; that acceptance of large gifts from any source, or of contributions carrying any obligation whatever, is unwise. Then, too, we view with much concern those A.A. treasuries, which continue, beyond prudent reserves, to accumulate funds for no stated A.A. purpose. Experience has often warned us that nothing can so surely destroy our spiritual heritage as futile disputes over property, money, and authority. **(Ruth C.)**

- The July draft minutes will be sent out to everyone within 14 days which is required as per the Structure guidelines.
- June's final minutes and associated files will be sent to Judy for uploading on the D36 website within 1 week from today.

- o Haley S. asked if Districts is paying for the registration for the secretary to go. The answer was no. James O. suggests if Haley wants to make a motion, she should send that to James O. to be placed on the agenda for the August meeting.
- o September 14, 2026 – Paul M. (Past Delegate) will visit D36 to talk about what happens at EPGSA.
- **We have District Nominations & Elections for Officers in October's District 36 meeting. Responsibilities are on page 8-10 in D36's structure manual**

Actions:

Haley S. will submit a motion to James O. for the August agenda about the Area 59 financial breakdown.

Jen F. (Guest – A59 Treasurer) did a Q&A with our GSR's:

- Haley S. – doesn't see the Profit & Loss statement. Haley noticed in your report that you are not itemizing things.
- Jen F. – stated that is what is in the Profit & Loss document. It is broken down by individual and what was spent.
- Haley S. - stated that she would like to see each individual and break down what each cost is instead of a total \$ amount.
- Jen F. – stated that she has that recorded but she would have to actually generate a report for that. That information is *NOT* in the Profit & Loss document.
- Haley S. – heard that \$10,000 was taken out of the Prudent Reserve. She was wondering why since you are supposed to create a budget for such things in the beginning of the Panel.
- Jen F. – the budget is estimated and was based on the prior year's budget. They have implemented some cost saving measures to spend less. They are in a good place now.
- Haley S. – I heard that you rented a van to go to NERASSA. Was this decision voted on at A59?
- Jen F. – we decided that it was cheaper to rent a SUV (not a van) rather than travel by air and there were 3 people carpooling together.
- If anyone needs to reach out to Jen F. for any further clarifications, please email her @ treasurer@area59aa.org

OLD BUSINESS

- Sandra K. made a motion to set up some sort of on-line payment option to contribute to District 36.
- Discussion:

- o James O. – we have the capability with our own financial institution to use Zelle which is free. James O. & Angelo S. both did a test run of contributing \$1.00 to see how it worked. It was super easy.
- o Eric L. – if you are planning on using various platforms, you would need to set up different ways to accomplish the transaction. Doesn't your bank need to know which account it's drawing from?
- o James O. – if your Home Group doesn't have a bank account, they would just have to mail a check in.
- o Nicole G. – stated that she was looking at Zelle instead of Venmo because it appears that our EIN # has lapsed. She also stated that she is concerned if we set it up as a personal account – will this affect that person's income tax return because of these larger dollar amounts.
- o Mistie D. – asked if this will be a mandatory way to contribute or can Home Group pay by mailing checks to District 36 PO Box.
- o Haley S. – stated that she has found that it is most helpful to have multiple options for payment instead of using just one.
- o Aaron C. – thinks we should move forward with Zelle and stick to just one option for now. He is also concerned that we should look into acquiring a new EIN # or reinstating our current one. He wants to make sure we are doing things properly.
- o Nicole G. – in order to acquire a new EIN #, you must file paperwork with the IRS. Nicole was unaware that you need to do paperwork each year to keep the EIN # current.
- o James O. – stated that it costs \$250 to get a new EIN # and if you don't use it to file taxes- it gets closed by the IRS.
- o Mistie D. – made a motion to table the rest of this until next month and to use Zelle since it is already in place. Aaron C. 2nd that motion.
 - Discussion – By a show of hands the motion passed with substantial unanimity.
 - James O. stated that he can provide a written description of the steps to complete your contribution using Zelle. The QR code will be sent to all of the GSR's and at next month's meeting we will discuss how and where we want to post this QR code.

It is further understood that the Conference Charter itself is not a legal document: that it relies instead upon the force of tradition and the power of the A.A. purse for its final effectiveness. **(Heather L.)**

What is homegroup.online?

They are a third party holder of a group's money that serves as a clearing house for financial transactions. In this way they operate similar to an online bank without some of the hassle but also without some of the traditional banking safeguards. They are a 501(c)(3) operating out of Arizona under the name of HGOL Financial Clearinghouse, Nonprofit. Homegroup.online, LLC is the banking branch of the organization. Articles of incorporation are available upon request.

How does it work?

When an organization decides to use homegroup.online Aaron talks directly to the treasurer to set up an account and ensure that this is approved by a group conscious. The treasurer becomes a subcontractor of homegroup.online getting paid \$0.10 a year

 - You're using a third party (the credit cards bank) to send the payment on your behalf
 - GSO does not endorse, oppose, approve, deny, affiliate with any other AA entity
