Old Business:

Derenda made a motion to accept the proposed budget created by the finance committee Mike G. seconded motion. Tim tabled motion until next month so it can be brought to homegroups. This motion was re-stated by the chair and is open for discussion. Jeff asked why Monique didn't have a budget on the finance committee report. Monique said there isn't a need for it. Tim explained what the motion was for to an intergroup member at large. Mike G. asked if the finance committee report was discussed with the treasurer before. Went to voting - Yays: 18 Nays: 0 Motion passed. If you are a committee

chair and have a dollar amount listed in the finance committee report you are allowed to spend that money. If you expect to go over budget it needs to get voted on as a whole before doing so.

New Business:

Norm asked about how new groups can go about getting literature when they don't have the funds to get it. Tim said when new groups form they get a starter packet when they file. This does not include AA books. Mike said the new group should be able to request literature. Norm made a motion that literature be donated to new groups limited to a \$100 per group. Jeff seconded this motion. Motion was tabled by Tim to bring this back to homegroups and will be discussed at August intergroup.
