Tradition 8: (Long Form) Alcoholics Anonymous should remain forever nonprofessional. We define professionalism as the occupation of counseling alcoholics for fees or hire. But we may employ alcoholics where they are going to perform those services for which we might otherwise have to engage non-alcoholics. Such special services may be well recompensed. But our usual A.A. Twelfth Step work is never to be paid for. **Jeff C.**

Concept 8: (Long Form) The Trustees of the General Service Board act in two primary capacities: (a) With respect to the larger matters of over-all policy and finance, they are the principal planners and administrators. They and their primary committees directly manage these affairs. (b) But with respect to our separately incorporated and constantly active services, the relation of the Trustees is mainly that of full stock ownership and of custodial oversight which they exercise through their ability to elect all directors of these entities. **Ted J.**
