Discussion
Potential amendments to the main motion*
*Amendments are motions. Their treatment follows the same process outlined here for the main motion
Discussion ends "naturally"?
No
Motion to call the question
No
Motion to table the motion
Second?
No
Yes
Vote to end discussion (substantial unanimity required)
Yes
Vote on main motion (substantial unanimity required)
Second?
No
Yes
Vote to table (simple majority required)

"We wear Roberts Rules like a loose glove."

Motion ..... **2nd** ..... **Discussion** ..... **Discussion Ends** Either...

- **Organically** (goes directly to a vote on the motion... **OR**
- **CALL THE QUESTION** (definition: *"We've discussed enough - let's vote."*)
  - By a **MEMBER:** [MOTION PAUSES] **[2/3 majority]**
    - "All in favor of stopping discussion and bringing motion to a vote"
    - "All in favor of continuing discussion."
  - By a **CHAIR:** [NO VOTE REQUIRED] ("Im going to take three (3) more/10 minutes ... then vote")
    - "Im going to CALL THE QUESTION to stop the discussion and call a vote on the motion."

VOTE

1. Ask if necessary to re-read the motion aloud
2. "All in favor"
3. "All opposed"
4. "Any abstentions"
5. "Would the minority opinion like to be heard?" (REMIND THEM WHAT THE MINORITY OPINION IS) (1 minute per minority opinion)

REMINDER: **The minority opinion is generally expressed to** 1.) share something new *(no repeats of previously stated opinions)*; 2.) if anyone feels they haven't expressed themselves adequately; 3.) if someone feels they feel the body is making a serious mistake. **Note:** The Chair can allow for repetition during the minority opinion if needed to ensure we 1.) move slowly and 2.) let everyone feel heard.

6. "To anyone who voted in the majority: Did that change your vote?" **(REMIND THEM WHAT THE MAJORITY IS)** *(same thing as **Motion to Reconsider**)*
   - **If YES**
     - "So by default, there's a Motion to Reconsider is on the table - do I hear a 2nd?"
     - "All in favor of **Re-Opening discussion** - All in favor of **treating this vote as final.**"
       (Motion starts over and we go into Discussion - then we vote. Vote is Final / No minority opinion)
   - **If NO:** Motion Passes/Fails

AMENDMENTS:

- **Friendly:** Given by someone trying to improve the motion without changing the meaning - **the person who made the motion needs to accept the amendment**
- **Regular:** Actually changing the wording & intent of the motion - requires the person who made the motion (AND THE 2nd) and the person who made the amendment to agree on the change to the motion **(2/3 majority)** The amendment itself requires a vote AFTER the vote on the motion itself.

POSTPONE: (requires a motion)

- Definition: **Postpone it TO A SPECIFIC TIME** (it makes sense to deal with it at a specific time in the future for whatever reason) [Gets put into OLD BUSINESS AT THAT FUTURE DATE]

POINT OF INFORMATION:

- Primarily used when 1.) **Someone has a question to ask**...or 2.) **When they need some additional information** (sometimes it's about them wanting to offer additional information).

TABLE: (requires a motion)

- Definition: We are **putting the motion off in the moment** and it will require the step of somebody taking it off the table.
- How it gets off the table: Likely it will be **automatically** put into OLD BUSINESS for the next meeting (not debatable / simple majority / no motion to reconsider or minority opinion)

POINT OF ORDER:

- Used when there is **some deviation from the process** or **someone is being disruptive** (Chair: Only use this when someone is being very mean spirited) (Chair rules on it when raised by a member)

Everything AA App Update

We're excited to announce that the first release of the Everything AA app under the ownership of A.A. World Services is now available. We encourage you to update your app to Version 5.0 to access the latest features.

Over the last several months, the app team at the General Service Office has been working behind the scenes to address critical technical and infrastructure issues and ensure the app is stable, reliable, and ready to support app users. This work is an important step in establishing a strong foundation for the app's future as we review app content and design.

The app is a recent addition to the many services GSO provides to the Fellowship. It remains available for download without cost; however, there is an option to subscribe at $1.99 a month or $19.99 a year to support the app's continued development and maintenance. This optional subscription model follows a similar practice to the A.A. Grapevine's subscription model for its app. The AAWS board has engaged in thoughtful discussion and deliberation to ensure that this aligns with our Traditions. Subscribers will receive content, as noted below, and are not contributing to the Seventh Tradition with their subscriptions.

In the next year, as the app team continues to review and develop this important platform, you will notice phased changes to content and features along with the addition of new resources for all app users.

This first release includes a new feature: Bonus content for subscribers only. Subscribers will have access to "Voices of A.A. Today," which is excerpted from the 2025 International Convention commemorative book, **A Book of Fellowship - 90 Years of Sharing Love and Service**, now available for purchase only in print at the online bookstore. In the coming months, other treasures from our publications and archives, including audio and video recordings, will be made available to subscribers.

As always, we are working to ensure that the app is a trusted source of information and resources and is consistent with A.A.'s Twelve Traditions and AAWS and GSO policies and practices.

We're grateful for your patience during this process and look forward to sharing more updates and new features in the months ahead.

The Everything AA app is available on both iOS and Android.
